Continuation of Substance of Interview including description of the general nature of what was discussed:
Acknowledged typographical error in the restriction requirement mailed 10/6/05 citing claims 81 and 82 both in Groups IV and VIII. Noted that examination of Group IV would include only claims 29-71 as multiple independent inventions would be examined in that grouping alone. Claims 81 and 82 would remain in a separate grouping, namely to Group VIII .
